Re: Final Reissue Review 08/965,844

The following issues must be addressed prior to mailing the Notice of Allowance:

1. The amendment and declaration of 2/19/04 must be entered
2. The communication of 11/19/03 has not been entered. I believe this communication is an Interview Summary with attachment(s). Should this have been a quayle? It does not appear to have been signed.
3. All the loose papers should be fixed to the file in proper order
4. Send file to scanning. I would be better if the file were in IFW prior to complete review.

PLEASE PROMPTLY CORRECT ALL OF THE ABOVE AND THEN RETURN THE FILES TO THE SPRE UNIT WHEN THEY ARE READY FOR ISSUE.
